INDEX OF SUBJECTS AND AUTHORS

ADDINGTON, ERCELL A., AND SUTHERLAND, CHARLES G. Roentgenographic features of tuberculosis in bones and joints, 31

Age, Effect of, on the total pulmonary capacity and its subdivisions, 662

Aid to pneumothorax therapy, Positive intrapleural pressure as an, 542

ALLEN, E. H., AND CORNELY, PAUL B. Tuberculous infection in Negro colleges, 549

AMBERSON, J. BURNS, JR. Has tuberculosis treatment been effective? (editorial), 254

Antiserum, Intracutaneous reactions against, in tuberculosis, 238

ARNOLD, LLOYD, AND HIRSCHBERG, NELL. The effect of human tissue juices on tubercle bacilli, 598

Artery, pulmonary, Thrombosis of, 394

AUERBACH, OSCAR. The progressive primary complex, 346

Auxiliary techniques in chest roentgenography, 14

Avian tuberculosis, Studies in,

1. Avian tubercle bacilli in generalized disease in swine, 579
2. Comparative virulence of avian and bovine tubercle bacilli for rabbits and guinea pigs, 582
3. Sensitization method of differentiating avian from bovine infection in guinea pigs and rabbits, 588
4. The possible rôle of the avian tubercle bacillus in infection in man, 594

Bacillaemia, Tuberculous, in rabbits.

1. Bacillaemia in nonallergic animals, 507
2. Bacillaemia in allergic animals, 520

Bacilli, tubercle, Effect of human tissue juices on, 598

BERG, WILLIAM N. Statistical basis of errors in immunity tests, 259

Bilateral phrenic-nerve interruption in the treatment of pulmonary tuberculosis, 420

BLADY, JOHN V., AND COHEN, LOUIS. Fluoroscopy during pneumothorax treatment, 634

BLOCH, ROBERT G., FRANCIS, BYRON F., EISELE, C. WESLEY, AND MASON, ELWOOD W. Roentgenological group examinations for pulmonary tuberculosis, 174

Bones and joints, tuberculosis in, Roentgenographic features of, 31

ERRATUM

VOLUME XXXVII, JANUARY–JUNE, 1938

An omission in the Index of Subjects and Authors, made at the time of paging the index, has just been discovered. The entries below should be inserted following page 731.

Has tuberculosis treatment been effective? (editorial), 254

Hernia of the lung, 39

HINCKS, CLARENCE M. The psychotherapy of rehabilitation of patients in tuberculosis hospitals, 61

HIRSCHBERG, NELL, AND ARNOLD, LLOYD. The effect of human tissue juices on tubercle bacilli, 598

Hospitals, tuberculosis, Psychotherapy of rehabilitation of patients in, 61

HOWE, JOHN S. Daily variations in the tuberculin reaction.

1. The range of variation in tuberculous and control subjects, 264
2. Relation to the vascular pressor episode, 273

Human tissue juices, Effect of, on tubercle bacilli, 598

HYDE, H. VAN ZILE. See KALTREIDER, NOLAN L., *et al.*, 662

Immunity tests, Statistical basis of errors in, 259

Incidence of extrapulmonary primary tuberculosis, 465

Infection, pneumococcus, experimental, in tuberculous rabbits, Course of, 93

——, Tuberculous, in Kingston, Jamaica, 625

——, ——, in Negro colleges, 549

Influence of sunlight upon experimental tuberculosis, 448

Intracutaneous reactions against antiserum in tuberculosis, 238

—— tuberculin reaction associated with calcified intrathoracic lesions, 311

Intrapleural fibrin bodies, 81

—— pressure, Positive, as an aid to pneumothorax therapy, 542

Intrathoracic lesions, calcified, Intracutaneous tuberculin reaction associated with, 311

Jamaica, Kingston, Tuberculous infection in, 625

——, Tuberculosis survey in, 560

Joints, bones and, tuberculosis in, Roentgenographic features of, 31
